## KENTER PRODUCT PORTFOLIO

- Ø **LT PVC / XLPE FR / FR-LSH Power Cables with Aluminium / Copper Conductors. (1.1KV upto 3.5C X 400mm<sup>2</sup>; Single Core Upto 1000 mm<sup>2</sup>)**
- Ø **LT PVC / XLPE FR / FR-LSH Control Cables Upto and Including 61 C X 1.5 mm<sup>2</sup>/2.5mm<sup>2</sup>.**
- Ø **LT Aerial Bunched Cables.**
- Ø **Service Cables (Armoured / Unarmoured).**
- Ø **House Wires & MULTI-CORE INDUSTRIAL CABLES (SINGLE CORE AND MULTICORE – FR, FRLS-H, HRFR, ZHFR).**
- Ø **Building Management System Cables.**
- Ø **Fire Alarm System Cables (Fire Survival Cables).**
- Ø **Public Address System Cables.**
- Ø **Access Control System Cables.**
- Ø **CCTV / Surveillance System Cables.**
- Ø **Industrial Automation Cables.**
- Ø **INSTRUMENTATION CABLES with elements such as Bare/Tinned Copper; Laid Up / Twin Twisted Cores in Pair/Triad/Quads Forms with FR PVC / FRLS-H PVC / ZHFR / XLPE for Insulation and Sheath; SCREENED / UNSCREENED / BRAIDED; Armoured / Unarmoured.**
- Ø **FIRE SURVIVAL CABLES.**

# COMPANY PROFILE

- Ø LAN CAT5 / CAT6 (UTP / FTP / STP) Armoured/Unarmoured Cables.
- Ø CO-AXIAL CABLES – RG 6, RG 6/U, RG 11, RG 59 Armoured / Unarmoured.
- Ø Multi-Pair Telephone & Switchboard Cables Upto and including 1000 Pair Jelly Filled Armoured Cables as per ITD Specifications
- Ø Thermocouple Compensating & Extension Cables.
- Ø Profibus Cables.
- Ø Panel / Switch Board Wires.
- Ø Specially Coated Lift Camera Cables.
- Ø Specialized Composite Cables.
- Ø Speaker Wires.

# COMPANY PROFILE

## INFRASTRUCTURE

**KENTER CABLES** having manufacturing facilities at **VADODARA & BHIWANDI** is fully equipped to manufacture and test all type of cables customers requirements complying with National / International Standards such as **BIS, VDE, BS, IEC, ASTM, CE, RoHS** etc.

**KENTER CABLES** are equipped with the most sophisticated and state-of-the-art production and testing equipment which is spread over the sprawling area of 1 lac Sq.ft. The company is equipped to impose stringent quality check at every stage of production through **QMS (Quality Management System)** which invaluable adds to the infrastructure yielding the most reliable product.

The use of advanced machines facilitates us in undertaking bulk orders.

# COMPANY PROFILE

## MANUFACTURING CAPACITY

- **Power Cables & Aerial Bunched Cable – 10000 core kms / month**
- **Control cables – 60000 core kms / month**
- **Wires – 15000 kms / month**
- **Instrumentation Cable – 30000 core kms / month**
- **Flexible Multi-core cable - 4000 core kms / month**

## MANAGEMENT TEAM

We owe our success to a proficient team who works in harmony and undertake various challenges of the competitive industry. Every team members have adequate expertise in their respective domain which facilitates us in offering quality products and effective services to our clients. Our team comprises of following personnel:

Administrators | Electrical engineers | Technicians & Skilled workers

Quality analysts | Research associates | Sales & marketing professionals

# COMPANY PROFILE

Our electrical engineers have adequate knowledge on the features and properties of cables and wires. They are further backed by skilled technicians who are adept in handling advanced machines. To offer technologically advanced cables and wires, they use latest technology in the manufacturing process. Our quality analysts and research associates further contribute in the production process by conducting tests and providing relevant information to make the products technologically more advanced.

Also our experienced sales and marketing professionals promote our brand name and enable us to always stand firmly in the marketplace.

**KENTER TEAM** strives to give prompt service to the customers by reducing Quality Losses and increasing productivity. Management assures that there will be prompt assistance to provide resources to cater to requirements ensuring the implementation and maintenance of QUALITY SYSTEM.

## QUALITY POLICY

To establish '**KENTER**' Brand, as a quality company in the field of **ELECTRICAL CABLES** and move towards "**ZERO**" defect products

# COMPANY PROFILE

## QUALITY OBJECTIVE

Quality has been our paramount objective which is evident from the **ISO 9001:2015, CE** and **BIS** certification of the company. We have well structured quality control system which further facilitates us to stand true to the expectation of our customers. Our quality inspectors regularly conducts inspections to ensure that every product undergo various test sessions before it is finally packed. **KENTER TEAM** is committed to manufacture and supply consistently high quality cables on time, conforming to agreed specifications at competitive prices and to utmost satisfaction of our client.

Our products are tested and approved by leading authorities and **NABL Accredited** laboratories of India Like **ERDA, SGS, Intertek Singapore** (RoHS Complied Cables), **National Test House, Regional Test House, MSME** etc.

In our entire endeavor, we give emphasis on **Client satisfaction**, so we leave no stone unturned in meeting their varied requirements. With the concept to facilitate the **Client** with complete range of Electrical Cables & Wires at the most competitive rates and best quality we have **ready stocks** in our warehouses and also our strong distributors network all over India, which can help our customers to fulfill their urgent requirements. Our product will definitely give an edge against our competitors in respect of Quality, Availability and Price.
